### CARGO LIABILITY WAIVER

**Warning:** Before you sign this waiver, learn the **FACTS** about Non-Insured Freight:

- Freight **without** insurance does not protect your interest from losses.
- The Ocean Carrier does not provide insurance on its freight rates. The freight rates are **only** for transportation freight.
- If there is a loss, the Carrier will not pay the loss unless they are proven liable for the loss under the conditions of carriage and conditions of the cargo insurance.
- If the Carrier is proven liable for the loss, a claim will be processed, and settlement determined. Note: The package can be the entire container.

I declare that I do not wish to purchase insurance coverage and will ship at my own risk of loss or damage. Therefore, by signing this document, I understand all limits of liability will be governed by the Carriage of Goods by Sea Act found on Bahamas **Ferries Ltd. website**. I hereby release **Bahamas Ferries Ltd.** and its **Agents** from liability for any loss or damage, howsoever caused. I acknowledge future shipments will not be automatically insured.
